

# INVESTOR DAY LIVESTREAMED SEMINAR

## MONDAY 7 SEPTEMBER

ABG Sundal Collier Investor Day will be a digital seminar (live streamed). The Investor Days Seminar is a quarterly recurring seminar that provides an opportunity for investors to learn more about some of the companies covered by ABG Sundal Collier mainly via our sponsored research. The companies will present their business and visions. Each presentation is 20 minutes, followed by a short Q&A. We expect +25 companies to attend.
